**JOINT CASE MANAGEMENT STATEMENT  
AND PROPOSED ORDER**

Case Management Conference  
Date: October 9, 2007  
Time: 2:00 p.m.  
Dept.: Courtroom 11

The Honorable Martin J. Jenkins

The parties to the above-entitled action jointly submit this Case Management Statement and Proposed Order pursuant to Civil Local Rule 16-9 (a) and Federal Rules of Civil Procedure, Rule 26 and request the Court adopt it as its Case Management Order in this case.

## DESCRIPTION OF THE CASE

### 1. A brief description of the events underlying the action:

This action arises out of Liberty Life Assurance Company's ("Liberty's") denial of disability benefits to plaintiff Jane Pence, on or about December 12, 2004.

Liberty issued a Group Disability Insurance Policy, number GD3 860 037972-01 to the University of California ("the Policy"), effective January 1, 2000. Plaintiff worked for Lawrence Livermore National Laboratory as a Computer Programming Associate, and was covered by the Policy. On December 12, 2003, plaintiff stopped working and thereafter submitted a claim for disability insurance benefits on or about August 2004 alleging she was unable to perform her occupation because of shoulder tendonitis. Following its review and investigation, Liberty denied her claim after it determined she did not meet the definition of totally disabled from her own occupation. Plaintiff appealed the decision and Liberty maintained its denial.

Plaintiff filed the present action on July 2, 2007 for breach of contract and breach of the implied covenant of good faith and fair dealing seeking contract and tort damages. Plaintiff contends that Liberty's denial of benefits was wrongful and in bad faith, claiming Liberty conducted a biased investigation. Liberty denies these allegations and contends its denial of plaintiff's claim was proper and reasonable.

### 2. The principal factual issues which the parties dispute:

- a. Whether plaintiff is totally disabled within the meaning and terms of the Policy;
- b. Whether plaintiff is entitled to disability insurance benefits;
- c. Whether Liberty investigated and denied plaintiff's disability insurance claim in bad faith, in breach of the duty of good faith and fair dealing;

d. Whether Liberty's handling and denial of the disability insurance claim was willful, oppressive, malicious and despicable, and done in conscious disregard of plaintiff's rights, entitling plaintiff to exemplary damages;

e. What damages, if any, are reasonable.

**3. The principal legal issues which the parties dispute:**

a. Whether plaintiff was and is entitled to disability benefits under the terms of the Policy;

b. Whether Liberty breached the contract by discontinuing benefits;

c. Whether Liberty breached the implied covenant of good faith and fair dealing;

d. What contract benefits, if any, are owed to plaintiff;

e. What damages, if any, are recoverable by plaintiff;

f. Whether Liberty is subject to punitive damages, and, if so, the amount thereof.

g. Whether plaintiff's claim for tort damage for breach of the implied covenant of good faith and fair dealing is barred by the statute of limitations.

**4. Other factual issues:**

No factual issues regarding service of process, personal jurisdiction, subject matter jurisdiction, or venue remain unresolved.

**5. Parties which have not been served and the reasons:**

All parties have been served.

**6. Additional parties:**

The parties do not anticipate the joinder of any additional parties.

**7. Assignment of the Case to Magistrate Judge for Trial:**

Liberty does not consent to the assignment of the case to a magistrate for trial.

**ALTERNATIVE DISPUTE RESOLUTION**

**8. The parties have filed a Stipulation and Proposed Order Selecting an ADR process and the ADR process that the parties jointly request is:**
